PPQ's Manual's Unit does **not** publish or maintain all of PPQ's manuals. Here is a list of manuals that I know about that are maintained and published there in Riverdale.

Black Stem Rust (M301.38)

Golden Nematode (M301.85)

Imported Fire Ant (M301.81)

Laboratories Approved to Receive Soil

Mexican Fruit Fly (M301.64)

Pink Bollworm (M301.52)

Port of Entry Manual (General Operational Procedures--M319-390)

Witchweed (M301.80)
